All on grade walls 6"
walkout walls 8"
And some over foundation 6"

Comments you would like in a news release on this building?

fully incorporated SIPs in project to
reach NABH Silver and 45 HERS index
to meet and exceed homeowner expectations

CHECKLIST

My company is a SIPA member. Panels for this project were manufactured by a SIPA member.

I have answered ALL the questions completely

I have enclosed the two required electronic images as defined in the SIPA Building Excellence Awards guidelines.

OPTIONAL

- I have enclosed photographs that display different stages of the building project
- I have enclosed a floor plan drawing (no larger than 17" x 22" in size)
- I have enclosed a letter from the building owner regarding the building project
- I have enclosed a list of local publications (name and full contact information) for press release distribution

PLEASE CONFIRM: I have read and understand the rules for this competition. This entry is structural insulated panel construction as defined in the SIPA Building Excellence Awards guidelines. I understand by making this submission that my pictures will be used by the Structural Insulated Panel Association (SIPA) to promote the use of structural insulated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they see fit in that endeavor. I understand that where possible, SIPA will give credit for pictures used to my company as listed above.
