Zip:

PLEASE ANSWER EACH QUESTION WITH AS MUCH DETAIL AS POSSIBLE TO HELP IN THE JUDGING PROCESS

Describe the end use of the building (attach additional pages if necessary)

Single Family home

How did SIP construction help you get this job?

Homeowner was very energy conscious and had noise limits to deal with appreciated ability to fix both problems with one product.

Continued

Specify unique features of why the project is deserving of recognition (new construction techniques, customer problems solved, time / labor savings, financial savings, etc.)

Varying wall heights lots of windows and windy side take strength and sound deadening of panels kept project on budget ahead of time

What energy-efficient or green building products and / or techniques were incorporated into the building? Please list any local or national energy-efficient or green building certifications earned (ENERGY STAR, LEED, Built Green, etc.)?

Sip structure will modulating furnace tied to air source heat pump and all sealed combustion appliances and air exchange modules to occupancy or home

HERS index: 57

Which elements of the building (floors, walls, roof) were built with structural insulated panels? What thicknesses of SIPs were used?

All above grade walls + gables in vented areas 6" Sunroom 6"

Comments you would like in a news release on this building?

lots in the sun keeps out the cold and as quiet as a church inside

CHECKLIST

My company is a SIPA member. Panels for this project were manufactured by a SIPA member.

I have answered ALL the questions completely.

I have enclosed the two required electronic images as defined in the SIPA Building

Excellence Awards guidelines.

OPTIONAL

- I have enclosed photographs that display different stages of the building project
- I have enclosed a floor plan drawing (no larger than 17" x 22" in size)
- I have enclosed a letter from the building owner regarding the building project
- I have enclosed a list of local publications (name and full contact information) for

press release distribution

PLEASE CONFIRM: I have read and understand the rules for this competition. This entry is structural insulated panel construction as defined in the SIPA Building Excellence Awards guidelines. I understand by making this submission that my pictures will be used by the Structural Insulated Panel Association (SIPA) to promote the use of structural insulated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they see fit in that endeavor. I understand that where possible, SIPA will give credit for pictures used to my company as listed above.

Signature: Chris Speth
