Application (Page 2 of 4)

DESIGNED BY (if different than applicant – SIPA will only recognize members) Company Name: Contact Name: Phone: Address: State: City: Zip: Please answer each question with as much detail as possible to help in the judging process. Attach additional sheets if necessary. Describe the end use of the building: How did SIP construction help you get this job? SIP wall thickness and core material: SIP roof thickness and core material: Describe the benefits of using SIPs on this project. Did SIPs help save time, labor, construction costs, or energy? Describe any innovative design elements or structural engineering involved:

Application (Page 3 of 4)

Please list any certifications the project received, such as ENERGY STAR, LEED, National Green Building Standard, or local green building programs. Only list certifications that are completed:
HERS Index (residential projects):
Blower door test results (ACH50) (residential projects):
Energy use intensity in kBtu/ft2 (commercial projects):
Describe the HVAC system used on the project:
Describe the HVAO system used on the project.
Describe any other energy-saving materials used in the building envelope other than SIPs. List U-values of windows used and the R-value of any insulation materials.
Insulation materials.
Please list any energy-efficient products or design features, such as lighting, hot water heating, appliances, passive solar:
Were any solar panels installed on the project? If so, indicate the size of the system:

Application (Page 4 of 4)

Please list any sustainable materials or design features	not listed above, such as recycled materials, low-VOC finishes, landscaping, etc.:
Any additional comments on the project:	
raily additional comments on the project.	
CHECKLIST	
☐ My company is a SIPA member. Panels for this pr	oject were manufactured by a SIPA member.
☐ I have answered ALL the questions completely	
☐ I have enclosed the two required electronic image Awards guidelines	es of the completed project meeting the requirements stated in the SIPA Building Excellence
$\hfill\Box$ I have indicated the HERS Index as determined b	y a RESNET certified home energy rater (residential projects)
SIPA Building Excellence Awards guidelines. I understa Association (SIPA) to promote the use of structural insu	ules for this competition. This entry is structural insulated panel construction as defined in the nd by making this submission that my pictures will be used by the Structural Insulated Panel lated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they le, SIPA will give credit for pictures used to my company as listed above.
Signature:	Date:

Entries that do not contain all required materials or are received after March 12, 2013 will not be considered

Complete application and submit electronically to info@schwindcommunications.com

Or send hard copy applications to SIPA office:
