

# 2010 SIPA Building Excellence Awards

## ***Official Entry Form***

The Structural Insulated Panel Association (SIPA) is hosting the eighth annual “Building Excellence Awards” to recognize association members that build exemplary projects using structural insulated panels (SIPs). The projects submitted by association members are widely distributed to the media and showcased on the SIPA website to demonstrate the design flexibility and energy efficiency of SIP construction.

**APPLICATION DEADLINE: MARCH 26, 2010**

*Homes and commercial buildings completed between January 1, 2009 and December 31, 2009 that meet the criteria outlined below are eligible for awards. Special recognition will be given to any residential project that reaches a HERS Index of 30, the national energy savings goal for 2030 proposed in pending legislation.*

### ***Award categories include:***

- Single Family Homes over 3,000 sq. ft.
- Single Family Homes under 3,000 sq. ft.
- Multi-Family Commercial Buildings
- Agricultural Structures
- Commercial / Industrial / Institutional Structures
- Renovations (residential or commercial)

### ***Who is Eligible?***

- The submitting company must be a current SIPA member in good standing
- Structural insulated panels must be used on a minimum of 50% of the building envelope - to be determined by square footage of exterior walls and roof
- A SIPA Manufacturer Member must have manufactured the panels used in the construction of the project. Installers, designers or other parties involved in the project who are not SIPA members will not be recognized in awards materials. However, builders or architects may apply for membership with their entry, but must be full members in good standing prior to the closing date for the entry to receive recognition.
- Award application and accompanying photographs must be received by March 26, 2010
- Project must be completed between January 1, 2009 and December 31, 2009

### ***Winning Entries***

One winner will be chosen from each category. From those selected winners, an Overall Competition Winner and a Runner-Up will be named. An additional award will be given to the project deemed the Most Unique Application of SIPs, chosen from all entries submitted.

- Winners are recognized with an award at the Building Excellence Awards dinner on April 21 at the 2010 Annual Meeting & Conference in Chicago, Illinois
- SIPA will promote all winning entries through the SIPA website, SIPA blog, and a press release sent to outside media
- Winners can differentiate themselves as award-winning builders of energy-efficient homes

## Guidelines

- Member companies may make multiple entries, but a separate entry form must be completed for each entry.
- Each entry must be accompanied by photographic support. Two photos showing different views of the completed project must be submitted with each entry. Other photos showing stages of construction are highly recommended, but not required.
- Photographs must be submitted in digital form, and be at least 2400 x 3000 pixels, or 8" x 10" at 300 dpi. Entries submitted without required photographic support will not be considered for the competition.
- SIPA has the right to use the photos to promote SIPs to the construction industry.
- Each entry should include a floor plan of the project. A single page line drawing no larger than 17" x 22" in size is sufficient. Please do not send full blueprints.
- Each entry should provide supporting documents that quantify energy efficiency, such as HERS or ENERGY STAR rating, utility bill data, blower door testing, infrared thermography, or energy simulation results. This information is not required, but inclusion will help the judges better understand your project and the benefits it offers to the building owner.
- A thorough description of energy-efficient technologies other than SIPs, along with mention of other innovative features, will provide judges with a whole building perspective for energy-efficient projects. This is recommended but not required.
- Comments from the building owners regarding their satisfaction in the building are encouraged, but not required.
- Deadline for entries: Friday, March 26, 2010. All entries must be received at the SIPA office on or before that date.
- All winning and non-winning entries will be displayed at the SIPA Annual Meeting & Conference.

## Judging Criteria

**Each entry will be judged on its success in meeting the following criteria:**

- Energy Efficiency (to be proven by a HERS rating or other substantiating method)
- Design and/or structural engineering innovation
- Other SIPs-related factors that contributed to the overall success of the project

# Application

## PARTICIPANT INFORMATION

Company Name: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_ Zip: \_\_\_\_\_

Phone: \_\_\_\_\_

Fax: \_\_\_\_\_

Email: \_\_\_\_\_

Website: \_\_\_\_\_

## CATEGORY ENTRY *(check one category)*

- ☐ Single Family Homes (over 3,000 sq. ft.)
- ☐ Single Family Homes (under 3,000sq ft.)
- ☐ Multi-Family
- ☐ Agricultural
- ☐ Institutional / Industrial / Commercial
- ☐ Renovations

## PROJECT INFORMATION

Project Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_ Zip: \_\_\_\_\_

Date completed: \_\_\_\_\_

Total cost of project (exclusive of land): \_\_\_\_\_

Dimensions of building (all floors of multi-story building): \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## BUILT BY *(if different than applicant)*

Company Name: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_ Zip: \_\_\_\_\_

## PANELS MANUFACTURED BY *(members only)*

Company Name: \_\_\_\_\_

## DESIGNED BY *(if different than applicant – SIPA will only recognize members)*

Company Name: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_ Zip: \_\_\_\_\_

## PLEASE ANSWER EACH QUESTION WITH AS MUCH DETAIL AS POSSIBLE TO HELP IN THE JUDGING PROCESS

Describe the end use of the building (attach additional pages if necessary)

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

How did SIP construction help you get this job?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

*Continued*

Specify unique features of why the project is deserving of recognition (new construction techniques, customer problems solved, time / labor savings, financial savings, etc.)

---

---

---

What energy-efficient or green building products and / or techniques were incorporated into the building? Please list any local or national energy-efficient or green building certifications earned (ENERGY STAR, LEED, Built Green, etc.)?

---

---

---

HERS Index:

---

Which elements of the building (floors, walls, roof) were built with structural insulated panels? What thicknesses of SIPs were used?

---

---

---

Comments you would like in a news release on this building?

---

---

---

## CHECKLIST

- ☐ My company is a SIPA member. Panels for this project were manufactured by a SIPA member.
- ☐ I have answered ALL the questions completely.
- ☐ I have enclosed the two required electronic images as defined in the SIPA Building Excellence Awards guidelines.

## OPTIONAL

- ☐ I have enclosed photographs that display different stages of the building project
- ☐ I have enclosed a floor plan drawing (no larger than 17" x 22" in size)
- ☐ I have enclosed a letter from the building owner regarding the building project
- ☐ I have enclosed a list of local publications (name and full contact information) for press release distribution

**PLEASE CONFIRM:** I have read and understand the rules for this competition. This entry is structural insulated panel construction as defined in the SIPA Building Excellence Awards guidelines. I understand by making this submission that my pictures will be used by the Structural Insulated Panel Association (SIPA) to promote the use of structural insulated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they see fit in that endeavor. I understand that where possible, SIPA will give credit for pictures used to my company as listed above.
