DESIGNED BY *(if different than applicant – SIPA will only recognize members)*

Company Name: Artefact, Inc. & SureTight Insulated Panel Corp.

Contact Name: Christine Ussler(Artifact) & Jim Schmucker (Suretight Insulated Panel)

Address: 26-28 East Third St.

City: Bethlehem

State: PA

Zip: 18015

PLEASE ANSWER EACH QUESTION WITH AS MUCH DETAIL AS POSSIBLE TO HELP IN THE JUDGING PROCESS

Describe the end use of the building (attach additional pages if necessary)

Residential home with an attached garage apartment
for family member.

How did SIP construction help you get this job?

Client was looking for an energy efficient means of building
to qualify for a LEEDS project.

Continued

Specify unique features of why the project is deserving of recognition (new construction techniques, customer problems solved, time / labor savings, financial savings, etc.)

Gold Winner - Energy Value Housing Awards, Achieved LEED Platinum Certification from USGBC. This is the first home in Pennsylvania to achieve this rating. Home was featured in Arts & Crafts home magazine.

What energy-efficient or green building products and / or techniques were incorporated into the building? Please list any local or national energy-efficient or green building certifications earned (ENERGY STAR, LEED, Built Green, etc.)?

LEED, Energy Star, DOE Builders Challenge, Blower door test, Energy Star fixtures. A solar generator was used for temporary power to build the home, Superior Walls Foundation, SIPS, Geo-thermal, Low-e gas filled windows

HERS Index: 25

Which elements of the building (floors, walls, roof) were built with structural insulated panels? What thicknesses of SIPs were used?

6 1/2" wall panels, 12 1/4" roof panels over main living area,
10 1/4" panels over shed dormer roof,
8 1/4" panels for the gable dormers, 4 1/2" rim panels

Comments you would like in a news release on this building?

We would like to thank Dr. Charles and Sandy Koenig, Artefact Inc., and Brian Creswell - Creswell and Company for providing the construction photos. May have additional comments at that time.

CHECKLIST

- ☒ My company is a SIPA member. Panels for this project were manufactured by a SIPA member.
- ☒ I have answered ALL the questions completely.
- ☒ I have enclosed the two required electronic images as defined in the SIPA Building Excellence Awards guidelines.

OPTIONAL

- ☒ I have enclosed photographs that display different stages of the building project
- ☒ I have enclosed a floor plan drawing (no larger than 17" x 22" in size)
- ☒ I have enclosed a letter from the building owner regarding the building project
- ☒ I have enclosed a list of local publications (name and full contact information) for press release distribution

PLEASE CONFIRM: I have read and understand the rules for this competition. This entry is structural insulated panel construction as defined in the SIPA Building Excellence Awards guidelines. I understand by making this submission that my pictures will be used by the Structural Insulated Panel Association (SIPA) to promote the use of structural insulated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they see fit in that endeavor. I understand that where possible, SIPA will give credit for pictures used to my company as listed above.
