Company Name: _____
 Contact Name: _____
 Address: _____
 City: _____
 State: _____ Zip: _____

PLEASE ANSWER EACH QUESTION WITH AS MUCH DETAIL AS POSSIBLE TO HELP IN THE JUDGING PROCESS

Describe the end use of the building (attach additional pages if necessary)

Two unit residential rental property

How did SIP construction help you get this job?

The owner was very concerned with energy efficiency. He felt SIP construction was the only option that would meet his standards.

Openly unique features or why the project is deserving of recognition (new construction techniques, customer problems solved, time / labor savings, financial savings, etc.)

The project combined several energy efficient components to meet the owners desire for a highly energy efficient finished product.

What energy-efficient or green building products and / or techniques were incorporated into the building? Please list any local or national energy-efficient or green building certifications earned (ENERGY STAR, LEED, Built Green, etc.)?

Superior Walls Basement Panels, geothermal heating and cooling, 4" spray foam attic insulation plus 2 1/2" cellulose, solar hot water heat, LED can lights bamboo wood flooring, R 4.5 mini blinds

HERS Index:

Which elements of the building (floors, walls, roof) were built with structural insulated panels? What thicknesses of SIPs were used?

Walls 6"

Comments you would like in a news release on this building?

CHECKLIST

- My company is a SIPA member. Panels for this project were manufactured by a SIPA member.
I have answered ALL the questions completely.
I have enclosed the two required electronic images as defined in the SIPA Building Excellence Awards guidelines.

OPTIONAL

- I have enclosed photographs that display different stages of the building project
I have enclosed a floor plan drawing (no larger than 17" x 22" in size)
I have enclosed a letter from the building owner regarding the building project
I have enclosed a list of local publications (name and full contact information) for press release distribution

PLEASE CONFIRM: I have read and understand the rules for this competition. This entry is structural insulated panel construction as defined in the SIPA Building Excellence Awards guidelines. I understand by making this submission that my pictures will be used by the Structural Insulated Panel Association (SIPA) to promote the use of structural insulated panels. I hereby give permission to SIPA to use the enclosed pictures for any use they see fit in that endeavor. I understand that where possible, SIPA will give credit for pictures used to my company as listed above.
